- 19:20:38 From Alexis Milligan to Everyone : No worries! We are just getting started!
- 19:22:52 From Stephanie Seagram to Everyone : I would love to know some of the 'other ways'
beyond the 'face mapping' of the renaissance days :) thank you for saying that!
- 19:38:54 From Stephanie Seagram to Everyone : Jean! You're phone !!!
- 19:47:14 From Natalie Pavey to Everyone : I do! Do all faces follow these proportions or is that
what makes a face unique?
- 19:48:40 From Natalie Pavey to Everyone : Makes sense, thank you@
- 19:49:49 From Jason Dang to Everyone : The small asymmetries in our faces are why we don't
like our photos but are fine with mirror images. Symmetrical precision is rare.
- 19:52:39 From msaulig to Everyone : Alicia and I have another meeting to go to. Thanks so
much!!!
- 19:53:28 From Bahar Haghghat to Everyone : i drew a funny face :)))
- 19:55:24 From Bahar Haghghat to Everyone : It was a great session, I gotta go thank you so
much. Bahar, Newfoundland
- 19:57:27 From Claudia Saldaña to Everyone : Nice explanation. Thank you! Creativity
- 19:57:32 From Sheila Christie to Everyone : Thank you - this was delightful.
- 19:57:55 From Natalie Pavey to Everyone : Thank you so much! I'd do this even if there wasn't a
lockdown :)

19:58:20 From lanathompson to Everyone : Must know about wine parties- my Hood would love this

19:59:50 From Claudia Saldaña to Everyone : No problem! For me
